Northern Monmouth Chamber of Commerce

Greetings,

The Annual Meeting on September 18, 2008 was a great success! Over 60 Chamber members enjoyed good company, good food, and good networking. The new Executive Board and Board of Directors, pictured above, were introduced by Senator Koseph M. Kyrillos, and we expressed our appreciation and gratitude to our outgoing Board members. Business Spotlight

In this space we'll be featuring businesses that encompass the theme of each newsletter. With the holidays approaching, the November newsletter will feature Chamber members such as caterers, banquet facilities, gift baskets, holiday photography, plus ways to help those less fortunate - local food banks, donation opportunities, and family services.

Networking Tips

What networking or business tips would you like to share with your fellow Chamber members? Has a particular advertising or marketing idea helped your business expand? Each month we'll be posting tips and ideas in this space, so [please tell us](#) what worked for you. We'll start.

Carrying One Business Card - Your card should clearly identify you and your business and give people your contact information. Do not overcrowd the card with too many details, as it is not likely to get read; keep it clean and simple. Always put your web site address; that is where all the extra information can be garnered.
